8 Strand Braid Instructions

Eight strand braids look both complex and impressive, but they are actually quite simple to make. Once you know how to make a basic, flat, eight strand braid, you can move on to more complex ones, such as the round or square braid. Paracord works the best for this, but you can also use thin, flat leather lacing or even embroidery floss!

8 strand just feels like silk to me, whereas 4 strand feels a tiny bit "coarse" (above) - not that this matters one bit I grant you, but I am utterly convinced that these 8 strand braids cast better. This might be because they seem to lie on the spool very well (if that makes sense), but they just fly off when you really launch into a cast.
