Spies, Paranoia, Revolution, and the Rise of American Empire

Sometimes controversial and always provocative, A HISTORY OF THE AMERICAN PEOPLE is one author's challenging and unique interpretation of American history. Johnson's views of individuals, events, themes, and issues are original, critical, and in the end admiring, for he is, above all, a strong believer in the history and the destiny of the American people.

Writing a history of the American people, covering over 400 years, from the late 16th century to the end of the 20th, and dealing with the physical background and development of an immense tract of diverse territory, is a herculean task.

A HISTORY - Higher Intellect

The earliest ancestors of Native Americans are known as Paleo-Indians. They shared certain cultural traits with their Asian contemporaries, such as the use of fire and domesticated dogs; they do not seem to have used other Old World technologies such as grazing animals, domesticated plants, and the wheel.
