Beyond personalities, sustained space exploration reflects our history of business-government partnerships. Give JFK credit for appreciating that in launching us into space, long-term.

### Space Exploration Involves Business and Government - and Courage

While William Shakespeare's reputation is based primarily on his plays, he became famous first as a poet. With the partial exception of the Sonnets (1609), quarried since the early 19th century for autobiographical secrets allegedly encoded in them, the nondramatic writings have traditionally been pushed to the margins of the Shakespeare industry.
