Aquamarine I really liked this novel because it tells an original story about friendship and relationships. I was rading it very enthusiastic and entertained because this story has a mermaid on it, and that is an important point for making a story interesting in addition it tells a stirring story, in the way that the 2 friends try to help her new mythical friend and in the way they end the story.

### Water Tales: Aquamarine and Indigo (0613636791) by Hoffman ...

Alice Hoffman is a respected and prolific author of both children's and adult literature. But, left to myself, I would have been hard-pressed to come up with a bare 300 words for a review of the two novels, Aquamarine and Indigo, contained in Water Tales.To me, the stories were wholly uninteresting, without meaningful challenges to the characters; plot and character development were sorely ...
