G.M. Ford lives up to his reputation for gritty action with this second book in the Frank Corso series. *Black River* does not disappoint. I could find nothing to complain about, other than I wish it had been longer so I could have enjoyed it longer! Ford creates characters that you care about, and somehow he does it without rambling or excess words.

BLACK RIVER-VG Ford, G.M.- 2nd Corso Mobster Nicholas Balagula cut so many corners when he built a new children's hospital that 63 people died when it collapsed. Now he's up on murder charges, and Seattle true-crime writer Frank Corso, who watched Balagula's first two trials end disastrously when witnesses disappeared and jurors were bought off, is back in court for the third one, which looks like a slam dunk for the prosecution.
