Criminal Investigation A Method For

Internal Revenue Service, Criminal Investigation (IRS-CI) is the United States federal law enforcement agency responsible for investigating potential criminal violations of the U.S. Internal Revenue Code and related financial crimes, such as money laundering, currency violations, tax-related identity theft fraud, and terrorist financing that adversely affect tax administration.

IRS Criminal Investigation - Wikipedia

The cash method is simply a variant of the expenditure method of proof. The cash method is based on the same kind of investigation and analysis performed in the expenditures method, however, it represents a different presentation of the results of the investigation. The cash method of proof seeks to identify unreported cash income.
