LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Determination Of Some Heavy Metal

Forever a heavy metal band's heavy metal band, Anvil helped forged the genre with this 1982 classic. It's best played to the

The 100 Best Heavy Metal Workout Songs of All Time

M. The Fe^{3+} in the iron(III) nitrate reacts with the HSCN to produce some red FeSCN^{2+} complex ion. By spectroscopy and Beer's Law, it is found that $[\text{FeSCN}^{2+}]$ at equilibrium is 1.50×10^{-4} M. To find K_{eq} for the reaction from these data, it is convenient first to determine how many
