The term "English Revolution" has been used to describe two different events in English history. The first to be so called—by Whig historians—was the Glorious Revolution of 1688, whereby James II was replaced by William III and Mary II as monarch and a constitutional monarchy was established.. In the twentieth century, however, Marxist historians introduced the use of the term "English ...

The French Revolution is one of the most important – perhaps still the historical event of all time. Many books have been written about it, but I loved your comment, in your presidential address to the American Historical Association that “every great interpreter of the French Revolution – and there have been many such – has found the event ultimately mystifying”.
