Executive coaching represents a significant investment of time and money, so continuously monitoring quality and assessing whether an executive coaching initiative is producing results is critical.

Organizations should make sure both coaches and the coaching engagement are evaluated by measurable criteria.

What Executive
Coaching Is . An
executive coach is a
qualified professional
that works with
individuals (usually
executives, but often
high-potential
employees) to help
them gain self-
awareness, clarify
goals, achieve their
development
objectives, unlock their
potential, and act as a
