All of our books are available under free licenses that allow you to copy and distribute the text; you are also free to modify it, so you can adapt the books to different needs and help develop new material.

Green Tea Press - Free books by Allen B. Downey

In this chapter I describe my solution to a problem posed by a patient with a kidney tumor. I think the problem is important and relevant to patients with these tumors and doctors treating them. And I think the solution is interesting because, although it is a Bayesian approach to the problem, the use of Bayes's theorem is implicit.

Chapter 13: Simulation - Allen B. Downey

Along the wall, you see several paint spatters, all the same color, that you think your opponent fired recently. The spatters are at 15, 16, 18, and 21 feet, measured from the lower-left corner of the room. Based on these data, where do you think your opponent is hiding? Figure 9.1 shows a diagram of the arena.

Two Dimensions - Green Tea Press

Think Bayes is an introduction to Bayesian statistics using computational methods. The premise of this book, and the other books in the Think X series, is that if you know how to program, you can use that skill to learn other topics.

Think Bayes: Bayesian Statistics Made Simple - Open ...

Think Bayes: Bayesian Statistics Made Simple is an introduction to Bayesian statistics using computational methods. This book uses Python code instead of math, and discrete approximations instead of continuous mathematics.

Think Bayes: Bayesian Statistics Made Simple by Allen B. Downey. Publisher: Green Tea Press 2012 Number of pages: 77. Description: Think Bayes is an introduction to Bayesian statistics using computational methods.

Think Bayes: Bayesian Statistics Made Simple - Download link

By some piece of luck, I came upon the book Think Bayes: Bayesian Statistics Made Simple, written by Allen B. Downey and published by Green Tea Press [which I could relate to No Starch Press, focussing on coffee!, which published Statistics Done Wrong that I reviewed a while ago] which usually publishes programming books with fun covers.

Think Bayes: Bayesian Statistics Made Simple | R-bloggers

Allen Downey is a professor at Olin College and the author of Think Python, Think Bayes, and other books available from Green Tea Press.

Probably Overthinking It - Data science, Bayesian ...

From Think Bayes-Bayesian statistics made simple (Allen Downey, Green Tea Press) "Also, notice that in a Bayesian update, we multiply each prior probability by a likelihood, so if $p(H)$ is 0, $p(H|D)$ is also 0, regardless of D . In the Euro problem, if you are convinced that x is less than 50%, and you assign
